

Directions to the SenTek facility **614-586-1123 phone**

From the North (I-71 Southbound towards Columbus):

Drive on I-71 South towards Columbus. You will be going all the way downtown to the I-70/71 split. As you approach the downtown area, move to the left lanes (avoid the far left lane as it exits before the split). When you get to the split, take I-70 East (towards Wheeling). After the split, move to the right side lanes of I-70E as the Alum Creek exit comes up quickly after the downtown area. The highway will go around a large, right-hand curve. Before the curve, there will be signs for two exits, one will say “Main Street – Bexley” and the other will say “Alum Creek Drive – Livingston Ave”. The two exits are right next to each other after the curve. Take the second exit (Alum Creek Drive – Livingston Ave). The Alum Creek Drive exit ramp comes to a T-bone intersection at Alum Creek Drive, with a traffic light. Turn left at the light. Stay in the left side lane of Alum Creek Drive, as the SenTek driveway is the second driveway on the left side of Alum Creek Drive (only about 40 yards from the T-bone intersection). It is a large driveway with two chain-link gates. The SenTek building is a light-blue industrial building. There are a number of school buses parked in the parking lot outside. Drive in past the front part of the building and park in the small parking area on the left side (past the SenTek sign).

From the South (I-71 Northbound towards Columbus):

Drive on I-71 North towards Columbus. You will be going all the way downtown to the I-70/71 split. As you approach the downtown area, move to the right lane to exit onto I-70 East. When you get to the split, take I-70 East (towards Wheeling). After the split, move to the right side lanes of I-70E as the Alum Creek exit comes up quickly after the downtown area. The highway will go around a large, right-hand curve. Before the curve, there will be signs for two exits, one will say “Main Street – Bexley” and the other will say “Alum Creek Drive – Livingston Ave”. The two exits are right next to each other after the curve. Take the second exit (Alum Creek Drive – Livingston Ave). The Alum Creek Drive exit ramp comes to a T-bone intersection at Alum Creek Drive, with a traffic light. Turn left at the light. Stay in the left side lane of Alum Creek Drive, as the SenTek driveway is the second driveway on the left side of Alum Creek Drive (only about 40 yards from the T-bone intersection). It is a large driveway with two chain-link gates. The SenTek building is a light-blue industrial building. There are a number of school buses parked in the parking lot outside. Drive in past the front part of the building and park in the small parking area on the left side (past the SenTek sign).

From the West (I-70 Eastbound towards Columbus):

Drive on I-70 East towards Columbus. You will be going all the way downtown past the I-70/71 split. After the split, move to the right side lanes of I-70E as the Alum Creek exit comes up quickly after the downtown area. The highway will go around a large, right-hand curve. Before the curve, there will be signs for two exits, one will say “Main Street – Bexley” and the other will say “Alum Creek Drive – Livingston Ave”. The two exits are right next to each other after the curve. Take the second exit (Alum Creek Drive – Livingston Ave). The Alum Creek Drive exit ramp comes to a T-bone intersection at Alum Creek Drive, with a traffic light. Turn left at the light. Stay in the left side lane of Alum Creek Drive, as the SenTek driveway is the second driveway on the left side of Alum Creek Drive (only about 40 yards from the T-bone intersection). It is a large driveway with two chain-link gates. The SenTek building is a light-blue industrial building. There are a number of school buses parked in the parking lot outside. Drive in past the front part of the building and park in the small parking area on the left side (past the SenTek sign).

From the East (I-70 Westbound towards Columbus):

Drive on I-70 West towards Columbus. Before the downtown area, there will be an exit for “Livingston Avenue”. Take this exit. The exit ramp ends at a traffic light. Turn left at the light, go under the Interstate overpass, and immediately turn left again (southeast) onto Alum Creek Drive. About ½ mile southeast on Alum Creek Drive is a T-Bone intersection for the Eastbound ramp off I-70. Go through this intersection and turn left into the second driveway after the T-bone intersection. It is a large driveway with two chain-link gates. The SenTek building is a light-blue industrial building. There are a number of school buses parked in the parking lot outside. Drive in past the front part of the building and park in the small parking area on the left side (past the SenTek sign).

From the Airport:

After the “Airport Boulevard” the road splits up into various Interstate access lanes. Take the access lane for I-270. Turn onto I-270 southbound (towards Wheeling). Stay on I-270S until the I-70/I-270 split. Take I-70 West towards Downtown Columbus. Drive on I-70 West towards Columbus. Before the downtown area, there will be an exit for “Livingston Avenue”. Take this exit. The exit ramp ends at a traffic light. Turn left at the light, go under the Interstate overpass, and immediately turn left again (southeast) onto Alum Creek Drive. About ½ mile southeast on Alum Creek Drive is a T-Bone intersection for the Eastbound ramp off I-70. Go through this intersection and turn left into the second driveway after the T-bone intersection. It is a large driveway with two chain-link gates. The SenTek building is a light-blue industrial building. There are a number of school buses parked in the parking lot outside. Drive in past the front part of the building and park in the small parking area on the left side (past the SenTek sign).
